PROGRAM DETAILS

IIC 8.0 GEC GODDA

The Startup & Entrepreneurship Orientation Program is a focused initiative by Institution's Innovation Council (IIC 8.0), GEC Godda, designed to introduce students to the mindset and mechanics of building impactful ventures.

This program creates a space where curiosity meets opportunity—guiding participants to think beyond conventional paths and explore the world of innovation and startups.

WHY THIS PROGRAM MATTERS

- Builds a foundation in entrepreneurial thinking
- Encourages innovation-driven problem solving
- Introduces real-world startup perspectives
- Helps identify opportunities in everyday challenges

WHAT YOU'LL WALK AWAY WITH

- A clear understanding of how startups evolve
- Improved confidence in shaping and presenting ideas
- Exposure to the startup ecosystem and its possibilities
- A fresh perspective on turning ideas into action

THINK. BUILD.
MAKE IT REAL.
